Upon receipt of the complaint, the Regional Director shall direct, with notice to the complainant to file a verified answer/counter affidavit within seven (7) working days without extension, incorporating therein all pertinent documents in support of his or her defense, with proof of service of a copy to the complainant. Failure to file an answer/counter affidavit shall constitute a waiver on the part of the respondent. No motion to dismiss shall be entertained.

The Regional Director or his or her duly authorized representative may conduct a clarificatory hearing within seven (7) calendar days within which to file a verified answer/counter affidavit.

Within the said seven (7) calendar days period, the contractor shall make necessary corrections/rectifications on the violations that are immediately rectifiable upon its initiative in order to be fully compliant.

The cancellation of the registration of the contractor for engaging in labor-only contracting or for violation of any of the provisions of these Rules involving a particular service agreement will not, however, impair the validity of existing legitimate job-contracting arrangements the contractor may have entered into with other principal prior to the cancellation of its registration. Any valid and subsisting Service Agreement shall be respected until its expiration; thereafter, contracting with a delisted contractor shall make the principal direct employer of all employees under the Service Agreement pursuant to Articles 106 and 109 of the Labor Code, as amended.

Section 28. Enforcement of Labor Standards and Working Conditions. Consistent with Article 128 of the Labor Code, as amended, the Regional Director through his/her duly authorized representatives, shall conduct routine inspection of establishments engaged in contracting arrangement regardless of the number of employees engaged by the principal or by the contractor. They shall have access to employer's records and premises at any time of the day or night whenever work is being undertaken therein, and the right to copy therefrom, to question any employee and investigate any fact, condition or matter which may be necessary to determine violations or which may aid in the enforcement of the Labor Code and of any labor law, wage order, or rules and regulations issued pursuant thereto.

The findings of the duly authorized representative shall be referred to the Regional Director for appropriate action as provided for in Article 128, and shall be furnished the collective bargaining agent, if any.

Based on the visitorial and enforcement power of the Secretary of Labor and Employment in Article 128 (a), (b), (c), and (d), the Regional Director shall issue compliance orders to give effect to the labor standards provisions of the Labor Code other labor legislation, and these Rules.

Section 32. Enrollment in DOLE Programs on Improving Compliance with Labor Standards. For purposes of ensuring compliance with labor standards, the principal and subcontractors covered by these Rules are mandatorily required to enroll and participate in the DOLE programs such as the Incentivizing Compliance Program (Department Order No. 115-11).

Section 33. Contracting or Subcontracting in the Construction and Other Industries. Contracting or subcontracting arrangements in the Construction Industry, under the licensing coverage of the Philippine Construction Accreditation Board (PCAB), shall not be covered by the provisions of these Rules and shall continue to be governed by Department Order No. 19, Series of 1993 (*Guidelines Governing the Employment of Workers in the Construction Industry*) and Department Order No. 13, Series of 1998 (*Guidelines Governing the Occupational Safety and Health in the Construction Industry*); and DOLE-DPWH-DILG-DTI and PCAB Memorandum of Agreement-Joint Administrative Order No. 1, Series of 2011 (on coordination and harmonization of policies and programs on occupational safety and health in the construction industry).
